

HOW TO EDIT YOUR PERSONAL OR TEAM PAGE

Things to Consider?

- Personal and Team Fundraising Pages have default content when you register for an event. **However, we highly recommend that you personalize your page(s) to tell your own (or your team's) story and why the event is important to you.**
- **Only Team Captains** will have access to edit the Team Fundraising Page from their Participant Center.

Step 1 – Login to your Participant Center. For help, see guide on “How to Access Your Participant Center.”

Step 2 – Scroll to the bottom of the page and find the “Me” or “My Team” tab.

The screenshot displays the Participant Center interface. At the top, there are two tabs: "Me" and "My Team". The "Me" tab is selected and highlighted with a red box. Below the "Me" tab, there are two main sections: "Your Fundraising Progress" and "Personal Page". The "Your Fundraising Progress" section shows a progress bar from \$0.00 to \$200.00. The "Personal Page" section has a red box around its title and a red arrow pointing to a URL: http://hhccf.convio.net/site/TR/Walk/HopeampHeroesWalk?px=1163072&pg=personal&fr_id=1280. Below the "Me" tab, the "My Team" tab is also visible and highlighted with a red box. Below the "My Team" tab, there are two main sections: "Message To Your Team" and "Team Page". The "Message To Your Team" section shows a message: "Let's reach our goal and do our part to help kids with cancer!". The "Team Page" section has a red box around its title and a red arrow pointing to a URL: <http://hhccf.convio.net/goto/FlyingSolo>.

STEP 3 – Click the URL link to open your personal or team page and make your edits. Remember if you are not a Team Captain, you will not see the “My Team” tab.

You can create a personalized Web address for your page that will make it easier to remember for family and friends. The Web address can only contain letters, numbers, '.' (periods), '-' (dashes), and '_' (underscores). For example, if you specify 'John.Smith' as the personalized address, then the URL 'http://hhccf.convio.net/goto/John.Smith' will lead to your personalized page.
